

# Past, Present and Future of Biotechnology: Democratizing the Tools of Life

**Guido D. Núñez-Mujica,**  
**Chief Science Officer**  
**LavaAmp, Inc./BioCurious**

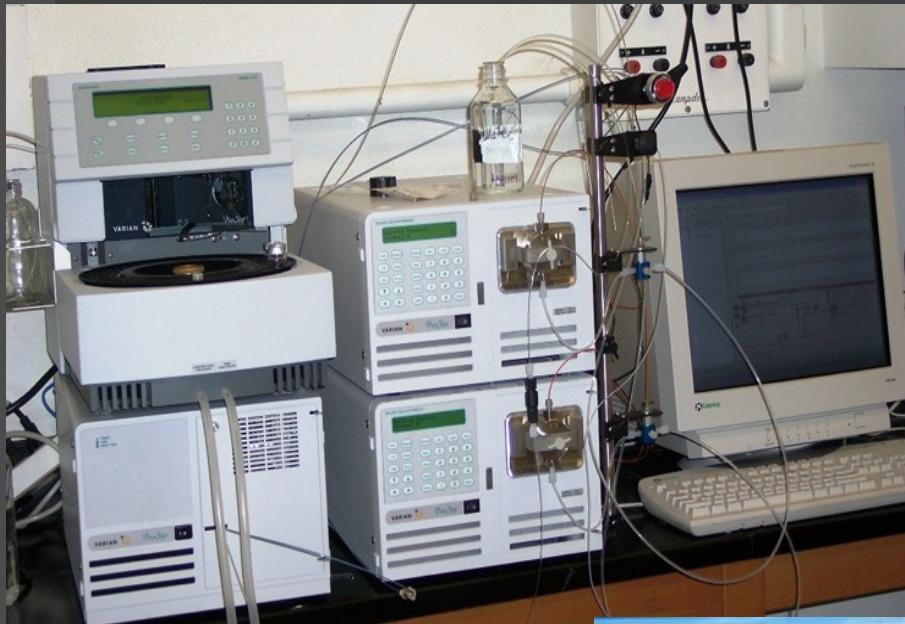

**Joseph Jackson**  
**CEO**

OFAB6

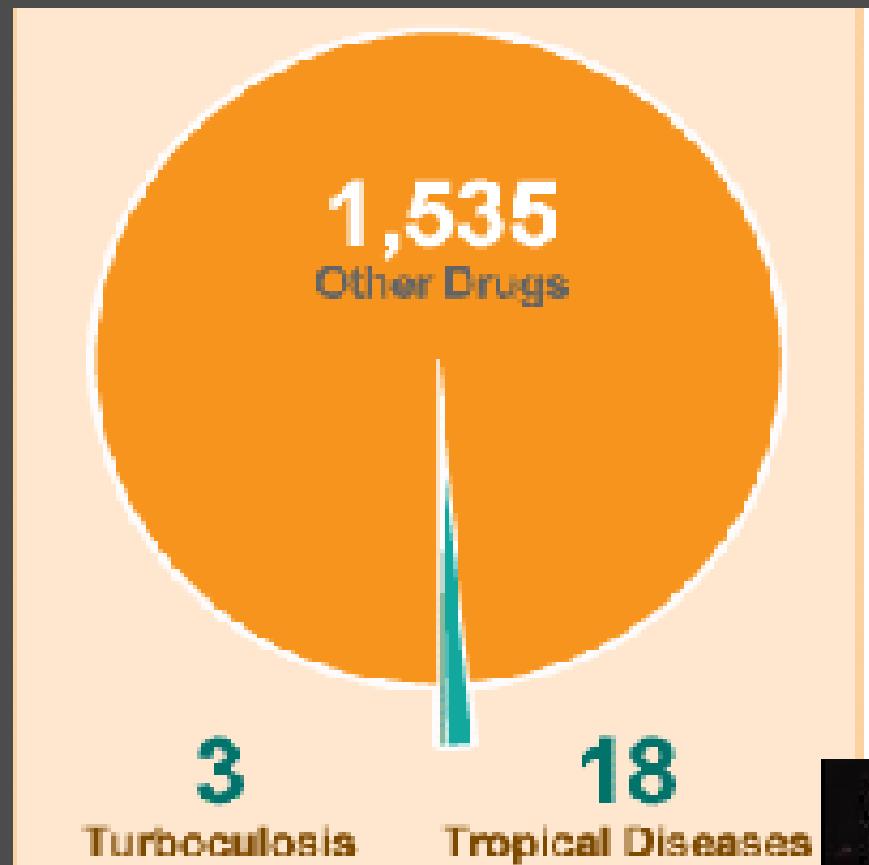

The logo for OFAB6 consists of the letters "OFAB" in a large, bold, black sans-serif font. To the right of "OFAB" is a large, stylized orange number "6". To the left of "OFAB", there is a circular icon containing a stylized globe or molecular structure in shades of grey and blue.

# The Past

# Centralized Science

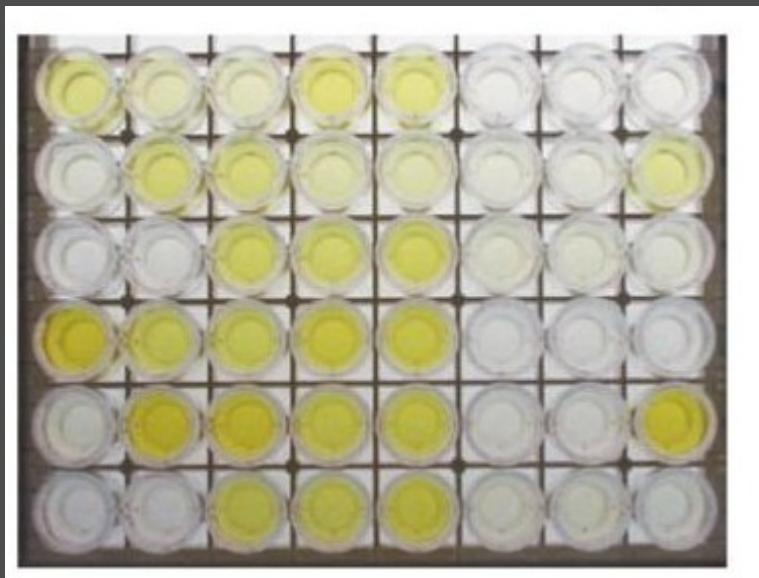

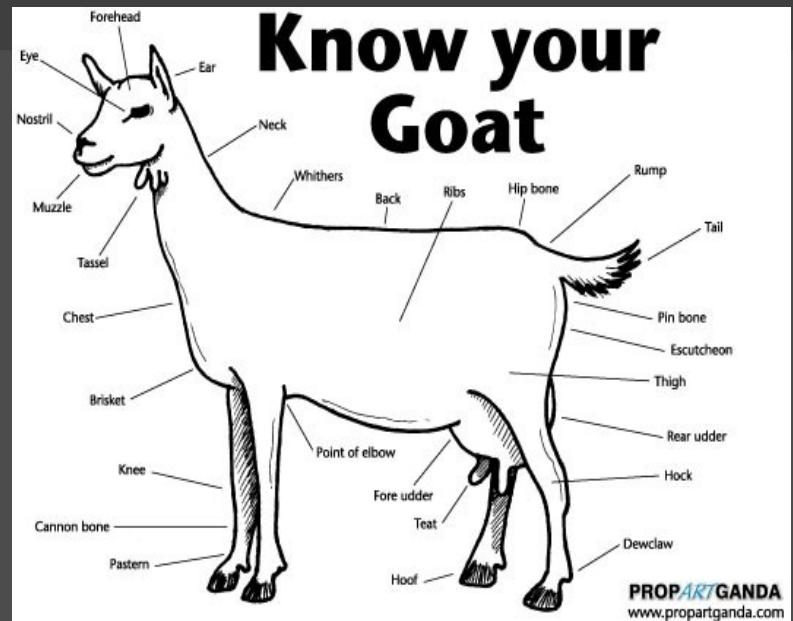

# Neglecting Diseases

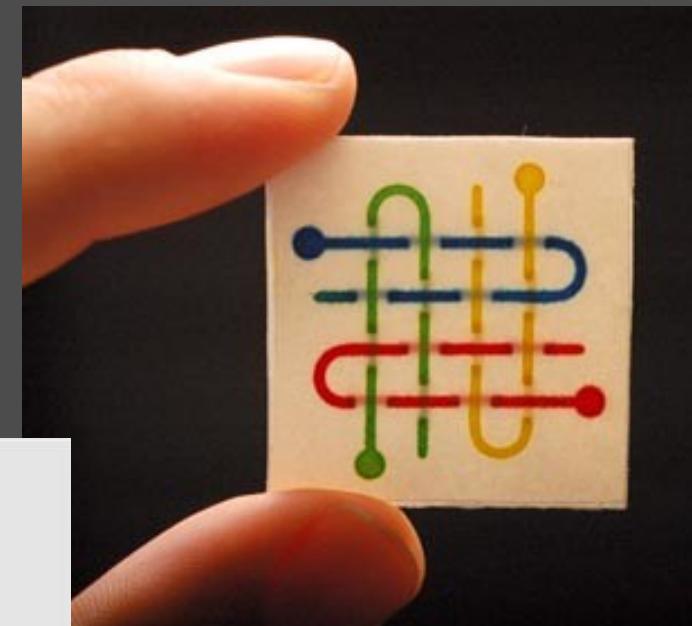

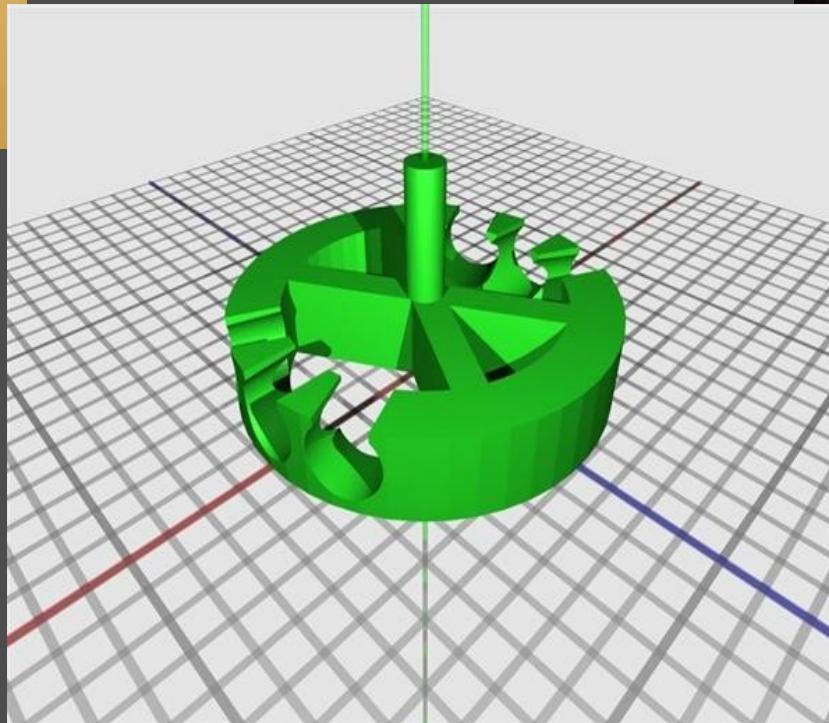

# The Present

# The CruziELISA Project

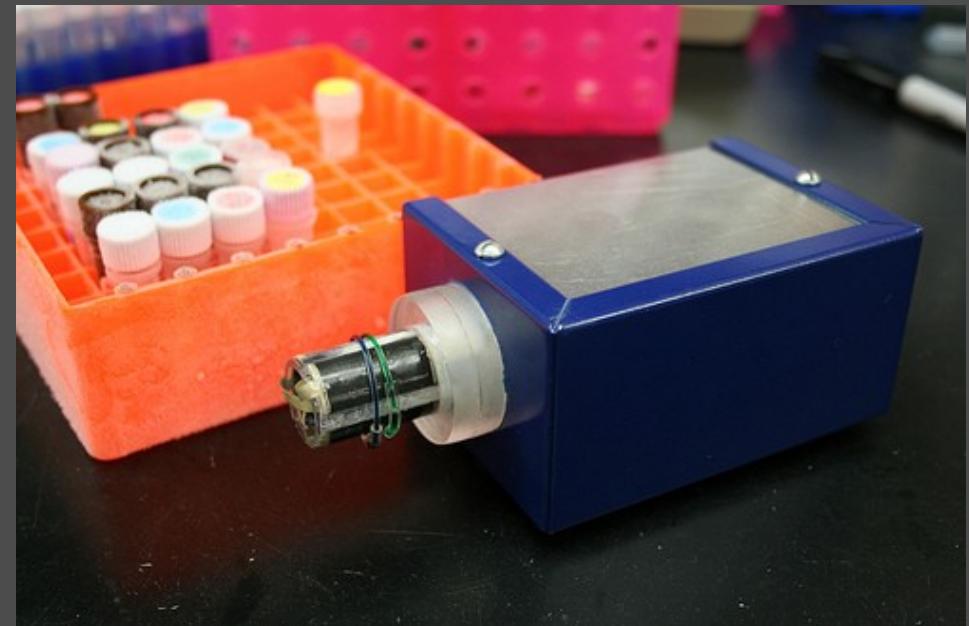

# Building the Next Generation Of BioTools

# The Future

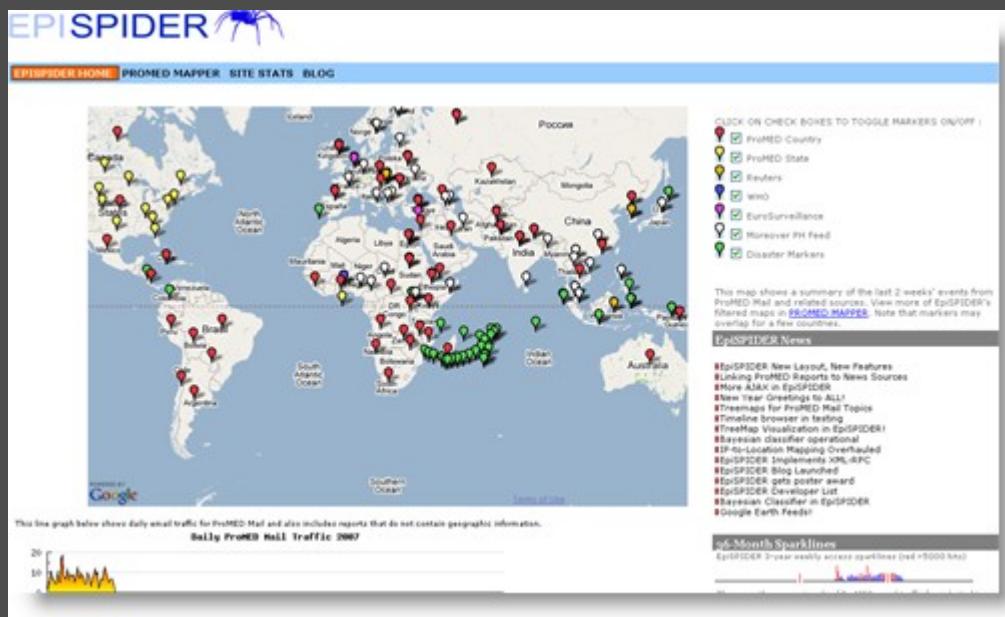

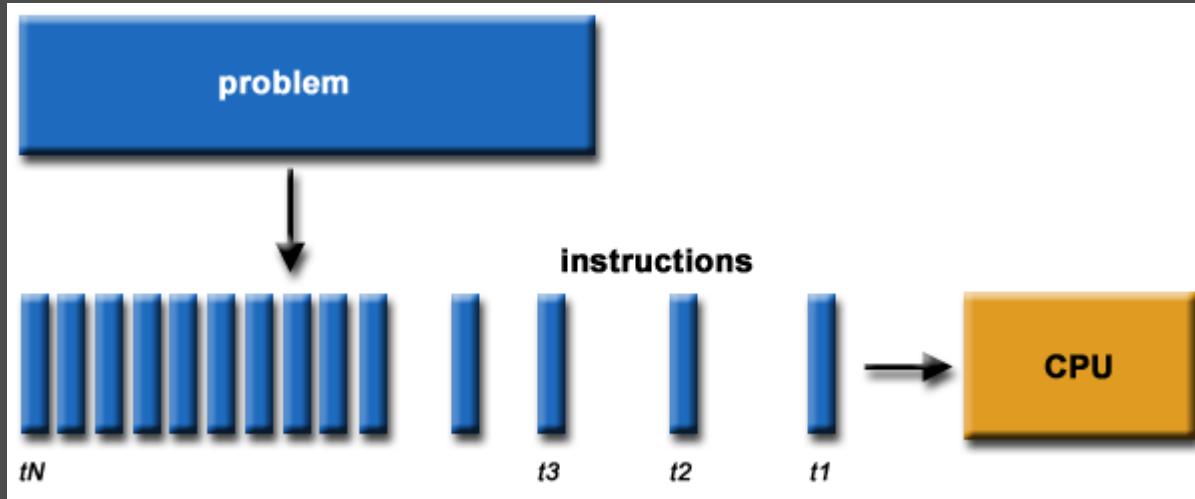

# LavaAmp: Ubiquitous, Affordable DNA Analysis

# The Labs Of The Future

# Consequences of Distributed Trials
